

899537 - HEFRBSKT_AE

Solid Steel Self-Feeding Fire Pit Basket

Product Info

OVERALL HEIGHT
21"

INSIDE DEPTH
19"

DIAMETER
21"

RUNG THICKNESS
1"

FINISH
High-Temp Black Paint

MATERIAL
Solid Steel

WEIGHT
102 lb.

Additional Info

This design encourages a self-sustaining fire whereas upper wood burns, gravity naturally feeds more wood into the fire, ensuring a consistent, long-lasting burn, improving efficiency, and reducing the need for frequent attention.
